

City of Boston: Transit & Air Quality Team F

10/20

What have I worked on?

- Looked at what's required of us for deliverable 1. Selected the 2 base questions we will be answering. Further explored the data to see how we can get started at answering the questions.

What will I be working on next?

- Diving into the data we have to help answer the questions we picked for deliverable 1. We have split up tasks for each team member and will work on merging the data.

Have I run into any issues? Do I need help?

- No

Team Lead: Have I talked to the client recently? When are we meeting with them next?

- No, we will meet next if we are in need of any clarification and/or if directed to talk to them.
